Product Description

Umbra Touch soap dispenser, modern liquid soap dispenser and washing-up liquid dispenser with soft-touch finish for bathroom and kitchen, 237 ml capacity Touch is made of matt soft-touch material that is easy to clean and very durable. Its attractive soft-touch finish not only feels good but also looks good. The curved soap dispenser differs from the typical soap dispenser because it moulds to the shape of the palm of your hand, making it particularly easy to use. To refill, simply unscrew the transparent container on the underside. The large opening allows the soap to be poured in easily and without spilling. Size: 10 x 7 x 13 cm, capacity: 237 ml. Thanks to the transparent soap container at the bottom of the dispenser, it is also easy to see when the soap level is low. Made from recycled plastic. U.S. Patent No. D641,192 *The use of hand sanitisers or gel-based liquid soaps is not recommended. MODERN AND Sleek SOAP DISPENSER: Touch is a beautifully shaped soap dispenser that fits perfectly in the curve of the palm. It has a capacity of 237 ml. EASY TO FILL: The transparent container is unscrewed to fill with liquid soap or washing-up liquid. Its wide opening makes filling particularly easy and clean. IDEAL FOR LIQUID HAND SOAP: Penguin soap pump is ideal for any liquid hand soap. Avoid using hand sanitisers or thick gel-based soaps. SOFT TOUCH FINISH: Touch soap dispenser is not only an asset to any bathroom, it also makes a great impression in any kitchen or guest toilet. The luxurious texture, which is soft and matt to the touch, makes this soap dispenser a real eye-catcher. ORIGINAL DESIGN & SATISFACTION GUARANTEED: Our team of international designers brings thought, creativity and original design to everyday objects. Umbra products are made from high quality materials.
