from **14,84 EUR**

Item no.: 412775
shipping weight: 0.60 kg
Manufacturer: Umbra

Product Description

Umbra Joey soap dispenser with ceramic sponge holder, 590 ml capacity. Joey's simple and modern design makes this soap dispenser a great addition to the kitchen and bathroom. Joey's integrated caddy provides space for a pot sponge (included). Thanks to its own weight, the pump can be easily operated with one hand. Joey is loved for its versatility, as its inbuilt caddy provides neat storage space for your bathroom essentials such as hair ties, hair clips, hair clips or dental floss - it's great for all those little utensils that clutter up your worktop and make cleaning so much more messy. Joey looks good and, at 10 x 13 x 20 cm, takes up very little space on your worktop. The practical soap dispenser with caddy has a filling capacity of 590 ml and comes with a pot sponge. **CONVENIENT 2-IN-1 SOLUTION:** The Joey soap dispenser is the perfect 2-in-1 solution for your sink area - the integrated holder keeps your favourite kitchen utensils such as the included scrubber and kitchen sponge neatly organised and easily accessible when you need them. **EASY ONE HANDED OPERATION:** The Joey soap dispenser and sponge holder is made of modern, matt ceramic material; its robust and heavy material allows for easy one-handed operation without moving or tipping over. **VERSATILE USE:** Ideal for the kitchen as a soap or washing-up liquid dispenser, with a holder for small kitchen utensils, or in the bathroom as a soap or lotion dispenser with integrated storage space for your daily essentials. **GREAT COLOUR CHOICE:** Joey is available in a variety of colours to match your décor or add a pop of colour to your kitchen or bathroom; the elegant and simple design of Joey looks great on any countertop. **ORIGINAL DESIGN & SATISFACTION GUARANTEED:** Our team of international designers bring thought, creativity and original design to everyday objects. Umbra products are made from high quality materials. Choose the original from Umbra
