Product Description

Umbra Peggy Cookware Organiser for pots, pans, lids, chopping boards, baking trays and moreIntroducing the Peggy Cookware Organiser - the ultimate solution for keeping your kitchen tidy and your cookware easily accessible. Designed with functionality and style in mind, the Peggy Cookware Organiser takes the hassle out of stacking and taking apart. It provides a seamless and organised way to store your pots, pans, lids and more. Pulls out to fit any custom cabinet space with its adjustable base and configurable pins. It helps keep heavy pots, pans and their lids upright, visible and easily accessible. The Peggy organiser includes 18 pegs and 4 peg extensions to store all your cookware, no matter how big it is. Simply twist the pegs to attach them to the base - no tools or hardware required.**ADAPTABLE AND CONFIGURABLE STORAGE:**The Peggy Cookware Organiser pulls out to fit in any cupboard or drawer thanks to its adaptable base and configurable pegs. With 18 pegs and 4 peg extensions, you can customise your organiser to accommodate cookware of all sizes.**HASSLE-FREE ACCESS:**Keep heavy pots, pans and lids upright, visible and within easy reach. No more rummaging through piles - everything is right where you need it.**NON-SLIP AND STABLE:**The Peggy cookware organiser is equipped with non-slip feet to ensure your cookware stays securely in place in your drawers or cupboards.**MULTIFUNCTIONAL USE:**Whether you're organising pots and pans, lids or even baking trays, Peggy is versatile enough to fit everything and keeps your kitchen tidy.**EASY TO ASSEMBLE:**Assembling the Peggy Organiser is a breeze. Simply twist the pegs to attach it to the base - no tools required. Peggy is ready to use in minutes!
