Product Description

Umbra Flex bath plug and hair strainer - drain plug and drain strainer for shower, bath, washbasin and sink, silicone Say goodbye to blocked shower drains and drain plugs that don't work properly. With Flex, you get a functional drain plug and a drain strainer that is guaranteed to protect your drain from clogging with hair. Simply place the drain plug on the drain of your bath, shower tray, washbasin or sink. To use it as a drain plug, simply press down the centre of the plug. To use it as a hair strainer, open the valve by pressing the silver button in the centre. Flex has a diameter of 7.5 cm, a height of 2.5 cm and fits all standard drains. MULTI-PURPOSE DRAIN PLUG: Flex serves as both a drain plug and a hair strainer; press down the centre part with the silver button to close the valve and stop water drainage; to open the valve for water drainage and activate the hair strainer, press the silver button in the centre. DISTINGUISH YOURSELF from the traditional bathtub plug: Made from flexible, durable and waterproof silicone, the Flex washbasin stopper not only looks good, it is also guaranteed to be functional while still being rustproof. EASY TO HANDLE AND CLEAN: The versatile Flex is easy to insert into bathtubs, sinks, shower trays and sinks; fits standard drains; to clean, simply rinse Flex with water and mild soap. DESIGNED BY DESIGNERS ALAN WISNIEWSKI AND ANTHONY KEELER FOR UMBRA: This functional drain stopper has a diameter of 8.9 cm, a height of 3.2 cm and is available in white and grey. ORIGINAL DESIGN & SATISFACTION GUARANTEED: Our team of international designers bring thought, creativity and original design to everyday objects. Umbra products are made from high quality materials.
