Product Description

Umbra Sling Flexible sink rack, multifunctional holder for kitchen sponge, pot scrubber, dishwashing brush, dishcloth and more Nobody wants to wash their dishes with a stale sponge - and nobody wants a sink rack that keeps sliding around or falling off. With this practical sink rack, none of this is an issue any more. Introducing the Umbra Sling Flexible Sink Tray from Umbra: Sling is a flexible, non-slip sink tray that can be placed over the double sink divider as well as over the kitchen tap without slipping. The flexible sponge holder with its non-slip material is guaranteed to stay in place while you do the washing up. Sling has a recess large enough for a washing-up brush. The perforated base prevents water from collecting and keeps sponges, dishcloths and pot scrubbers dry. Sling is easy to clean with warm soapy water. Sling measures 26 x 11 x 1 cm and is available in various colours. FLEXIBLE SHAPE - FITS EVERYWHERE: Thanks to the non-slip material, Sling can be placed over the dividing wall of the double sink as well as over the kitchen tap without slipping. PRACTICAL STORAGE OF DIVERSE SINK UTILITIES: Sling is a practical storage solution for various sink utensils such as kitchen sponges, dishwashing brushes, dishcloths and pot scrubbers. STRAPPABLE AND EASY TO CLEAN: Sling's design and material prevent waterlogging and unpleasant residues in the sink. Sling is easy to clean with warm soapy water. CREATED BY DESIGNERS EUGÉNIE DE LOYNES AND JORDAN MURPHY FOR UMBRA: The practical Sling sink holder is available in different colours and measures a compact 26 x 11 x 1 cm. ORIGINAL DESIGN & SATISFACTION GUARANTEED: Our team of international designers brings thought, creativity and original design to everyday objects. Umbra products are made from high quality materials.
