Product Description

Touch soap dish from Umbra is a simple and handy soap dish with a luxurious soft-touch finish that is soft and matt to the touch. Its grooved surface prevents waterlogging and helps the soap bar to dry faster after washing, extending the life of the soap. Touch soap dish is made of a matt, soft and extremely robust material that is also easy to clean. Whether in the bathroom, guest toilet or kitchen, with its compact dimensions of 13 x 8 x 2 cm it fits almost anywhere. The soap holder is part of the Touch bathroom collection. The collection includes a bathroom waste bin, soap dispenser, toothbrush holder and toilet brush. Made from recycled plastic. U.S. Patent No. D641,192 - Modern and sleek soap dish: Touch is a sleek and modern soap dish with soft shapes, especially suitable for rectangular and oval soap bars.- Soft Touch finish: Touch soap dish is not only an asset to any bathroom, it also makes a great impression in any kitchen or guest toilet. The luxurious-looking texture, which is soft and matt to the touch, makes this soap dish a real eye-catcher.- Grooved base: Touch's grooved base prevents waterlogging and allows the soap bar to dry more quickly after washing.- Compact design: Touch's compact design makes it easy to clean. Compact design: Touch's simple and discreet design harmonises with all home decors and is very space-saving thanks to its compact dimensions (14 x 9 x 2 cm).- Original design & satisfaction: Our team of international designers brings thought, creativity and original design to everyday objects.
