Product Description

INDUSTRIAL bowl Bring a touch of elegance to your table with the bowl from the INDUSTRIAL series. With a diameter of around 17 cm, it is versatile and ideal for salads, soups or desserts. The two-tone, reactive glaze in fascinating colours gives each bowl its own unique character. The depth and subtle colour gradients of the glaze create a harmonious interplay of elegance and modernity. This handmade bowl goes perfectly with the other pieces in the INDUSTRIAL series and completes your table arrangement. It is perfect for everyday use as well as for special occasions. Dimensions: 17.3 x 17.3 x 8.5 cm Material: Stoneware
