Product Description

Discover your inner engineer, artist and designer when you build and create with the Pastel Starter Pack! Featuring a variety of small and large squares, as well as equilateral, isosceles and right-angled triangles in our unique earthy pastel colours, the 64 Piece Pastel Starter Pack offers limitless play potential.

Experience STEAM learning with the Pastel Starter Pack as children of all ages explore magnetism, physics, symmetry, patterns and problem-solving. Discover the features of shapes and how they tessellate in both 2D and 3D creations. Enjoy our exclusive range of warm and cool pastel tones. Spark creativity and imagination as you design and construct houses, castles, car parks, robots or coin drops, plus so much more.

As an open-ended quality toy, Connetix will grow WITH children as they learn, and their play becomes more complex. You can expand the collection and complement your Pastel Starter Pack with the 80 Piece Pastel Ball Run Expansion Pack or the 202 Piece Pastel Mega Pack!

Attention! Not suitable for children under 36 months. Legal age: 3
