Item no.: 358991
shipping weight: 1.60 kg
Manufacturer: Connetix

Product Description

Featuring hexagons and triangles in 8 unique pastel hues, this pack will encourage learners to explore aspects of geometry such as shape, lines, angles, dimensions (length, width, radius), fractions, 2D and 3D shapes, plus magnetism and colour... all through PLAY.

Add our pastel hexagons and triangles to your collection and enjoy creating patterns, pyramids, dodecagons, mandalas and so much more!

As an open-ended quality toy, Connetix will grow WITH your child as they learn and their play becomes more complex. Extend the possibilities for magnetic tile learning and play by complementing your 40 piece Pastel Geometry Pack with the 120 piece Pastel Creative Pack or 202 piece Pastel MEGA Pack to take your magnetic tile play fun to the next level.

Caution: not suitable for children under 36 months.

Each pack includes:

- 8x hexagons
- 16x equilateral triangles
- 16x isosceles triangles

About the product:

- All tiles are made using non-toxic ABS plastic that is BPA and Phthalate free, sealed and riveted for extra safety.
- Our unique beveled design allows Connetix to be strong while offering beautiful clear refractions.
- Connetix are compatible with other leading brands.
- Our pastel range features newly designed isosceles triangles. They are compatible with traditional Connetix isosceles triangles.
