### Product Description

Bottle stopper FLORAL This ceramic and cork bottle stopper is the perfect blend of style and sustainability. The upper part is made of finely crafted ceramic and impresses with its smooth surface and durability, while the natural cork underneath ensures a tight seal and preserves the freshness of the contents. The floral design makes the cap a real eye-catcher. Delicate patterns and tastefully coordinated colours give it an elegant and personal touch. All materials used are food-safe and free from harmful substances, making the closure both safe and aesthetically pleasing. Ideal for bottles of wine, vinegar or oil, this closure is not only functional but also a decorative highlight. It is ideal for environmentally conscious people who value beautiful and practical everyday objects. Material: ceramic, cork Dimensions: 1.8 x 1.8 x 2.4 cm
