Product Description

Add stylish accents to your walls with the Surf Wall Shelves - a minimalist, functional duo made of powder-coated metal. The curved shape gives your room a subtle, wave-like movement and brings modern lightness into play. The Surf shelves combine aesthetics and stability: thanks to a concealed connecting piece, they can be joined together seamlessly to create a modern, uncluttered overall look. Each shelf can hold up to 6.8 kg and can be flexibly mounted in different orientations - for a completely personalised wall arrangement. Made from 100% robust steel and easy to install, the Surf Wall Shelves combine functionality with design and make a statement on any wall. Size: 43 x 18 x 10 cm. SLIGHT, BUT EFFECTIVE: The Surf shelves harmoniously bring order and design together. MADE OF METAL: Made of high-quality 100% steel for stability and durability, each shelf supports up to 6.8 kg. SET OF TWO: Available in a practical set of 2; ideal for combining to create an impressive wall arrangement. EASY ASSEMBLY: Each shelf is attached to the wall at two points using the set screws provided. Additional shelves can be easily aligned using the connecting piece.
