Product Description

Umbra Picket with 8 coat hooks - coat rack and modern wall decoration made of sanded pine wood Add a stylish touch to your home with the Umbra Picket wall hook - a perfect combination of craftsmanship and functionality. Made from high-quality milled pine wood, this wall coat rack is not only a practical storage solution, but also a real statement piece. With eight foldable hooks that can hold up to 2.3 kg each, it provides ideal space for coats, bags or jewellery while maintaining an elegant, minimalist look when the hooks are folded away. Perfect for hallways, bedrooms or any room in need of stylish organisation, Picket is characterised by its high-quality finish and versatile design. Combine multiple Picket hooks to create an eye-catching arrangement that will enhance your decor and maximise storage space. This stylish and functional wall coat rack is easy to assemble and includes all necessary mounting hardware and instructions for quick and easy installation. Whether you want to hang your coats and bags in the entryway or jewellery and accessories in your bedroom, Umbra Picket wall coat rack is the perfect accent piece for any room. WALL-MOUNTED STORAGE: Keep your home neat and organised with the eight separate fold-down hooks, each of which can hold up to 2.3 kg. FUNCTIONAL DECOR: The organic shape and bevelled pine dowels make Picket look like a work of art on your wall. When Picket is not in use and the hooks are folded up, this coat rack looks like a decorative piece. MADE FROM REAL WOOD: Picket is made from beautiful bevelled pine wood and brings the warmth of real wood into your living space. EASY INSTALLATION: All mounting materials are included for hassle-free installation. Size: 61 x 4 x 17 cm.
