Product Description

Coffee Tray "French Rose", miniature

Coffee tray "French Rose". In beautiful, bright colors, a coffee pot, a cup and a milk and sugar container are presented on a tray.

For over 60 years, Reutter have been producing their large porcelain collection themselves. Their porcelain miniatures are the only ones in Germany.

During the process of manufacturing, the porcelain items pass through the hands of up to 17 skilled craftsmen: after casting, they are glazed, painted and then fired as many as three times to give them their characteristic Reutter look. It is this tradition of craftsmanship which won Reutter friends all over the world.

Reutter is constantly working on rounding off and completing their collection of miniatures. They succeed in consistently inspiring collectors from all over the world.
