Product Description

Mini Advent calendar "Seiffen church"

Our mini Advent calendar with the Seiffen church wants to travel the whole world, as well as the wonderful Erzgebirge figures of the woodcarving industry like pyramids, nutcrackers, miners, angels and smokers of all kinds. The church of Seiffen is something very special due to its octagonal floor plan. Inside you will find bright friendly Saxon Baroque.

The architect Christian Gotthelf Reuther was inspired by the design of the Dresden Frauenkirche. The church of Seiffen was built in its present form from 1776 to 1779. Behind the lovingly arranged little windows are many well-known Erzgebirge figures, have fun opening.
