Product Description

Bottle stopper FLORALThe ceramic and cork bottle stopper combines stylish design with environmental friendliness and functionality. The upper part is made of smooth, high-quality ceramic, which is durable, easy to clean and food-safe. The lower part, made of natural cork, provides a reliable seal and ensures that liquids stay fresh. The floral design of the cap impresses with delicate details and harmonious colours that give it an individual and elegant look. All materials and colours are non-toxic and food-safe, making the closure not only aesthetically pleasing but also practical and safe to use. Perfect for wine, oil or vinegar bottles, this bottle stopper is an ideal choice for environmentally conscious people with a sense of beauty. It also makes an excellent gift for connoisseurs.
