Product Description

Cosmetic pads set of 10 This set contains 10 high-quality, white make-up remover pads made of soft, skin-friendly material that are ideal for daily facial cleansing and make-up removal. The pads are reusable and washable, making them an environmentally friendly alternative to conventional disposable cotton pads. The set comes in a practical net that can be used both for storage and for washing the pads in the washing machine. The net keeps the pads protected during the washing process and prevents them from getting lost. Features: - Material: Soft, skin-friendly and sustainable. Suitable for sensitive skin. - Size: Ideal for cleansing the face. - Reusable: Washable and durable, saves money and reduces waste. - Practical net: Ideal for transport, storage and machine washing. - Application: Perfect for daily care and for use with cleansing products, toner or just water. Benefits: - Eco-friendly and sustainable. - Soft and comfortable on the skin. - Easy to clean and reuse. - Saves space and keeps your bathroom tidy. Product features: - Material: bag: 100% cotton- Pad: 70% bamboo, 30% cotton- Dimensions: pads: 3.2 x 3.2 cm, bag: 4.2 x 4.9 cm With these make-up remover pads, you are helping to reduce the use of disposable products while at the same time caring for your skin gently and effectively.
